

## APARTMENT RAFT SLAB – DUNN ROAD

### Dramix 5D Raft Slab

An innovative solution using Dramix 5D steel fibre reinforcing to reduce the amount of conventional reinforcement required for shear, bending moment and crack control. The solution proved to be quicker, easier and more cost effective than the traditional more labour intensive option.

### Technical solution

- Dramix 5D 65/60BG steel fibres

### Benefits

Quicker, easier and more cost effective than the traditional more labour intensive option.
