

BESS CONCRETE PRODUCING FOR SPACEFRAME AGAIN!

Bess Concrete are doing what they do, yet again, producing superb Dramix steel fibre reinforced slabs on the latest SpaceFrame project at Wacol. This is the first of two warehouses on the Boundary Road site, and there is no doubt, SpaceFrame and their client will again be extremely happy with the finished slabs, the lifeblood of these facilities.

Builder: – SpaceFrame
Engineer: – SpaceFrame
Premix Supplier: – Holcim Concrete
