

# COMPLICATED FOOTINGS MADE EASY WITH DRAMIX 5D

## Architectural strip footings

When faced with some very intricate foundation work at Duncraig SHS in Perth, Firm construction approached their architect to consider the use of a Dramix fibre solution. With a simple dose rate of Dramix 5D we met the structural requirement's of the footings and made the construction easier and quicker.

### Technical solution

- Dramix 5D
- 32Mpa
- No traditional reo

### Benefits

Replacement of all traditional reo  
Simpler, Quicker Construction  
Cost effective
