

DRAMIX – GREAT FOR EXTERNAL HARDSTANDS

Willenius Wilhelmsen Warehouse for BAC has Dramix steel fibres throughout the Internals and Externals. Hutchies could see the benefit of steel fibres, including the saw-cut fibre only external hardstand.

Dramix steel fibres are perfect for warehouse external pavements, offering a quick and easy solution that is more durable and longer lasting than other alternatives.

Benefits

Faster and Easier to place.

No conventional reinforcing to deal with.

More Durable and Longer Lasting pavement.
