

## FIBRE ONLY SAW CUT SLAB

A great example of how a simple solution can add real value to a project. A Dramix 4D 80/60BG fibre only sawcut slab was used to replace the traditional reinforcing in these roundabouts. Quicker, easier and more cost effective...it's that simple.

**Client/Developer/Engineers:** Auckland Transport

**Contractor:** Ventia NZ

**Ready Mix Supplier:** Firth Industries

### Technical solution

- 200mm fibre only sawcut reinforced with Dramix 4D 80/60BG- Broom Finish
