

METROPLEX AT WESTGATE

Hutchies latest warehouse project is a 26,000m² facility for Aliro in Wacol, where they again chose a Jointless Dramix steel fibre solution. Designed and specified by Tonkin, the Hanson mix was placed to a very high standard by Creteco concreters. Yet another Dramix warehouse in this Metroplex at Westgate estate

- Developer: – Aliro
- Builder: – Hutchinson Builders
- Engineer: – Tonkin
- Premix Supplier: – Hanson Concrete
- Contractor: – Creteco QLD

Technical solution

- Dramix Jointless
